

Below you will find a comprehensive list of available online components correlated to their respective sections in each lesson, as outlined by the Teacher’s Manual (page numbers referenced below). Follow your chosen track of cursive or manuscript for each handwriting activity.

The legend on the right will help distinguish between required and optional activities in the printed curriculum and online supplement.

Legend	
 	Required Available in the printed materials as well as online. Users may choose to complete the content with the printed materials, online activity, or both options.
	Required Available in the printed materials only, instructions found within the scripted lessons inside Teacher’s Manual
	Optional Available in the printed materials only, instructions found within the scripted lessons inside Teacher’s Manual
	Optional Available in the online course only.
